

## SWEET LOUISE: TAKE A BITE ... A CELEBRATION OF LIFE: Spring 2008

We are celebrating spring, life and the spirit of women living with breast cancer by gathering with our friends and ask you to do the same.

To celebrate, and to support our services, we are inviting you to host a group of friends for a bite to eat and perhaps a drink or two, collect donations and have some fun during the Sweet Louise 'Take a Bite' Spring season.

All donations, no matter how small will help us to support our members. \$50 allows a member to have someone do a little of their housework, \$75 would allow her to have a relaxation massage, \$95 would allow her to have her wig restyled and \$140 would enable her to talk with a psychologist.

**\$500 supports one Sweet Louise member for 12 months**

*"Thanks so much, I really appreciate all the help. Makes dealing with cancer that whole much lighter when there are such great people out there helping." Sweet Louise member*

Register with us by during September 2008, to hold a Sweet Louise 'Take A Bite' celebration and we will send you a 'Take a Bite' pack including invitations to send to your friends, donation envelopes and some fun suggestions.

**Register now by emailing or phoning, with your name and address and phone number**

**[rachael.duncan@sweetlouiseco.nz](mailto:rachael.duncan@sweetlouiseco.nz) or 09 351 1503**

We appreciate your support; please pass on this email to anyone that you think might also be interested.
